**Sportello
in
Spalla**

SPORTELLO IN SPALLA

Since 2008 Malik coordinates the local project Sportello in Spalla (Backpack Desk).

OUR AIMS:

- connecting young people having geographical barriers to Europe
- promoting the European citizenship
- facilitating participation in transnational projects related to training, education, job, volunteering and mobility.

The target group is represented mainly by young people and youth workers with fewer opportunities, who face geographical, economic and social barriers.

MISSIONS

The initiative, self-financed by the partner organizations and co-financed by the Autonomous Region of Sardinia, intends to:

promote and encourage European mobility

inform young people about policies of the European Union and facilitate their participation in European programs and opportunities;

boost active citizenship through youth informal groups and /or youth councils

encourage the implementation of networked projects coordinated in the territory, the exchange of good practices, the identification of strategies and shared information tools

offer to local authorities support for projecting and/or European accreditation.

EUROPEAN PROJECTS

Malik is accredited as supporting and hosting organization for volunteering ESC projects.

Also, since 2022, Malik has the Erasmus youth accreditation.

Projects implemented:

+10 Erasmus+ youth exchanges

+5 ESC Volunteering projects (long and short term)

+3 ESC solidarity Projects.

Hosted: + 40 volunteers and more than 60 participants for youth exchanges.

Sent: + 150 young people and youth workers abroad.

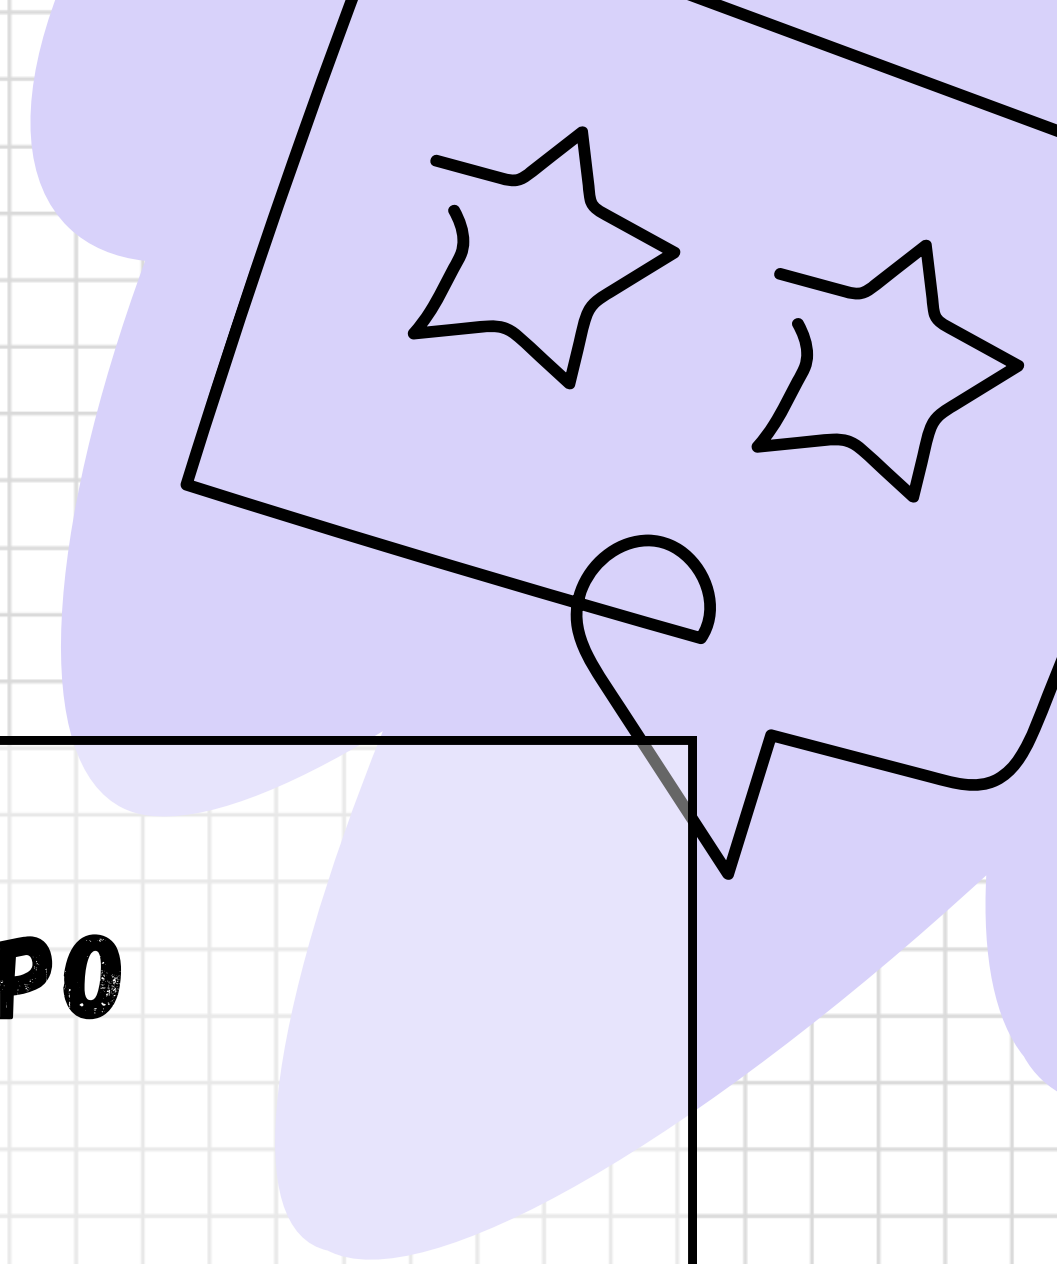

LOCAL PROJECTS

VISIONI MADE IN SARDEGNA

Raising environmental awareness in both children and adults through film screenings and workshops about reusing materials like single-use plastic.

YACOPO

Making Europe greener, smarter, more connected, more social and closer to its citizens through workshops and a photo and video contest.

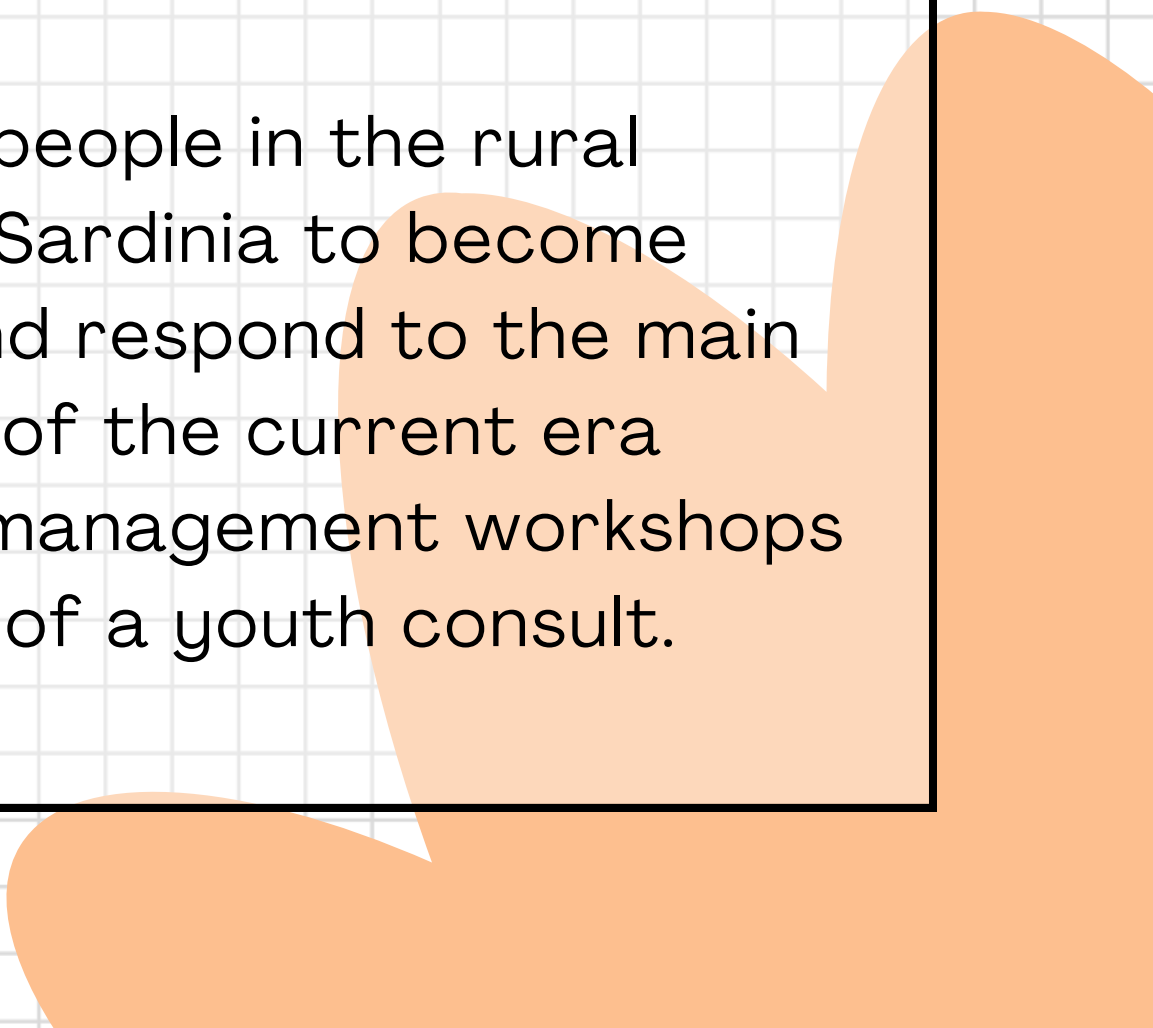

ITACA

Connecting emigrants from the Barbagia region while involving them in the formulation of a smart local development strategy through interviews and project management workshops.

MOCORE

Mobilizing young people in the rural areas of central Sardinia to become active citizens and respond to the main social challenges of the current era through project management workshops and the creation of a youth consult.
